Valuable Business Property Is Sold

What California Pacific Title and Trust Co. officers called one of the most valuable pieces of real property on the Peninsula changed hands Tuesday afternoon at a price of \$70,000. The property was at Burlingame Ave. at Primrose Rd., Burlingame, housing four retail shops. Sellers were Martha Crozier and Edna Manery of Marin County. The buyer was Frank F. Walker, New York investor.

Walker in 1933 purchased the A. L. Howard property on Selby Lane, Atherton. He sold the property yesterday to Jerome Draper, Lindenwood developer, for \$20,000, applying the proceeds to the Burlingame purchase.

Stirring Talk Given at Meet By S. F. Man

Slogan Prize Winner Gives \$2.50 Award To Local Drive

With a stirring plea ringing in their ears to "keep Redwood City the fine community it has always been" by giving generously toward support of its "preventive agencies," 150 citizens this week began their second annual drive to fill the Community Chest with the 11,500 dollars set up as the 1939 goal.

The workers were started on their task by an appeal given by John C. Neubauer of San Francisco at the "kickoff" dinner held at Sequoia High School.

And even as the campaign got under way in earnest, Director F. Edmund O'Connell announced that a total of \$1572 had already been pledged to the chest.

Of this amount, \$250 was given at the dinner meeting by the local Junior Chamber of Commerce. Another \$250 came from 5-year-old Cara Lee Badley, who presented the check given her by the Exchange Club for the prize-winning chest slogan, "Give Your Best, Fill the Chest," submitted under the little girl's name.

SHE DOES HER PART As the tiny youngster, daughter of YMCA Secty. and Mrs. Thomas W. Badley, presented the check to O'Connell, she said:

"I give my best to fill the chest, and hope that you will do the rest."

The Junior chamber's contribution was presented by Sam E. Albersson, president.

In his talk, Neubauer, director of San Francisco's chest campaign, stressed the fact that agencies participating in the Redwood City drive are of a preventive nature—preventing things from happening during leisure time.

"The leisure time is the danger time," he declared, illustrating his talk with examples taken from his own experience of years spent in boys' work.

He pointed out that the \$11,500 sought in the Community Chest budget was less than three times the actual annual cost of keeping in reform schools the six children who are now incarcerated as a result of trouble in which they had been involved in Redwood City. He said that three boys from Redwood City were now in Preston, where it was costing \$1869 to keep them for a year; two were in Whitier Reform School, where the cost was \$1396 for the pair, and one girl was in the home at Ventura, where the cost for her

was \$650 a year.

"And they will be greater liabilities when they get out of the reform schools than when they went there," he declared, pointing out how much better it was to support generously such preventive agencies as those participating in the chest.

"Let's keep them out of those places," he concluded. "Let's quit paying those crime bills. Let's keep Redwood City the fine community it has always been."

Neubauer's talk followed the enjoyment of a roast beef dinner; the singing of a number of songs led by Charles G. Lambert accompanied by an orchestra assembled for the occasion; the witnessing of a skit presented by Community Players; the introduction of representatives of the participating agencies: Miss Louis Stiles, secretary, for the Girl Scouts; Mrs. H. S. Dana, president, for the San Mateo Prevention; Thomas W. Badley, secretary, for the Young Men's Christian Association; Thomas C. Douglass, council president, for

the Boy Scouts; Mrs. C. H. Wakefield, president, for the Humane Society, and William McHarg for the Salvation Army.

Directions for solicitation of funds were given by Director O'Connell, who especially urged workers to make contacts early; to stress the fact the one contribution was for six agencies; to point out that pledges could be paid semi-annually or quarterly.

Viola Kelly Granted Probation on Charge

Viola Kelly, 21, of Woodside, charged with forging return slips at Burlingame and Redwood City stores, was admitted to probation for two years by Superior Court Judge A. R. Cotton Monday afternoon on condition that she return \$78.50.

Howard Stephens, 27, arrested in South San Francisco for passing worthless checks in Redwood City, was sent to San Quentin by Judge Cotton. Probation Officer Francis Robinson recommended against probation, explaining Stephens had a long criminal record.

Anniversary Feted by Store

With a record of over 650,000 persons served since 1936, Economy Drug Co., 2636 Broadway, Redwood City, marks its third anniversary in Redwood City this weekend.

The local store is one of 14 Economy Drug Stores situated in Northern and Central California. R. R. Palmer, nationally known merchandiser, founded the first store in San Jose 12 years ago. Now general manager of the concern, he has as his associate H. G. McCurdy, who has also taken a prominent part in the store's development.

Lloyd Woltz is local manager and his staff includes Miss Alice Cedardahl, who has charge of the cosmetic department, and R. Montiel, assistant.

Most recent addition to take care of increasing business is the beverage department.

Metal Worker Suicide Victim

Leslie McClay, 35, former Burlingame resident for three years who had lived in San Carlos only two months, ended his life at his home, 711 Laurel Ave., at 5 p.m. Sunday when he shot himself with a deer hunting rifle.

Mr. McClay's body was found in the bathtub, his head swathed in towels and a blanket, by Police Chief Edward J. Wheeler who had to force the locked door to enter the room.

A note written with a crayon on a piece of cardboard was found pinned to the door when Mr. McClay's wife, Dorothy, returned from downtown where she had been shopping.

"Mommie, I'm sick in the bathroom. Call the police," the note said.

Chief Wheeler said a traffic

citation on a reckless driving charge had been found in the dead man's pockets. He had been cited last week after an automobile accident in which a woman in the other car was injured.

The high-powered rifle had been placed under the man's chin before he pulled the trigger, Wheeler said, and the towels and blankets covering his head had amplified the destructive effects of the rifle, which was loaded with a soft-nosed shell.

Survivors include the wife and a six-year-old daughter, Loree.

Mr. McClay, a former San Jose rancher, was employed as a metal worker in South San Francisco.

Wins Title for Fifth Time

FOR THE FIFTH consecutive year, Tony Accetta, star of the popular sound motion picture, "Let's Go Fishing", out-distances his rivals to win the coveted title of U. S. professional all-around bait-and-fly-casting champion, taking six firsts and two seconds in a nation-wide competition sponsored by the National Association of Scientific Anglers. The annual

tournament was held this year at San Francisco. Fishing enthusiasts are being given the benefit of Accetta's wide experience through the medium of the 2-reel film, which has been viewed by nearly three-quarters of a million persons since its availability as a free attraction was announced by the Fisher Body division of General Motors just a few months ago.

NEWS MENLO PARK

NEW MAIL SYSTEM STARTED
 MENLO PARK, Oct. 6 — The post office department started its mail carrying system on Oct. 1, as announced by Postmaster Harry Morey some time ago. Joseph Sullivan, who has been a sub clerk in the office, has been appointed a mail carrier and Robert Stonehouse a part time carrier. James Doherty has been made a sub clerk to fill the Sullivan vacancy. For some time he has been a substitute in the office and is a competent clerk. Mr. Morey says the delivery system will be extended and new carriers put on as the community grows. The vacancy in the rural delivery caused by the death of James Murray will be filled when the postmaster hears from the result of the Civil Service examination held four months ago. Morey expects to hear from Washington any day.

The approaching election on Nov. 7 is of considerable interest to Menlo Park as a bond issue of \$10,000 is to be voted on. If the bonds carry, the money will be devoted to the improvement of the municipal recreation park. The Ham and Eggs proposition will also be voted on as well as the proposition to amend the county charter to abolish the office of executive, now held by Frederick Peterson. The election will no doubt bring a large vote.

Menlo Park is growing by leaps and bounds. It will soon be a big municipality. Stanford Park is built almost solidly and Felton Gables is approaching that status. The beautiful homes being erected in the Flood place are adding to the onward march. It is reported that Dr. Russell V. Lee of Palo Alto is to erect homes on Valparaiso Ave. and that J. Cotton is to begin the building of 42 houses in his tract just beyond Hermosa Way on Santa Cruz Ave. With all this contemplated building Menlo Park should boom.

The old bank building on the corner of the highway and Santa Cruz Ave. was sold this week to Mr. Hagens, a local capitalist, for \$12,000. It was erected shortly after the World War at a cost of over \$20,000 and for some years thereafter was occupied by the American Trust Co. The building has been vacant for some years. There appears to be no truth to the rumor that it is to be rented to the Bank of America. That institution is satisfied with its present quarters, although owing to the rapid growth of the business they may have to be enlarged.

James D. O'Kane, who went to New York a month ago on business and to see the fair, is expected home next week.

Mrs. P. Eyre and her daughter, Mrs. Madison, have closed their home at Atherton and opened their Pacific Ave. house.

A popular Menlo Park girl and a young San Francisco professional man will be married next month. The names of the happy pair will be announced in this column next month.

American motorists appear to be driving smaller cars than they did in 1937, and motorists' taxes, doubled in the past 10 years, may be responsible, it is stated.

Carloads of Fruit Sent From Harbor

The first freight cars to be loaded at the Port of Redwood City are being dispatched from the local harbor this week, Port Manager Leslie M. Rudy disclosed today.

The cars, carrying 40 tons of canned goods, are taking Schuckl & Co.'s products, which have been stored in the harbor warehouse, to San Francisco. Three cars already have been loaded and more are to be sent soon. While those already dispatched have gone only to San Francisco, one is to be loaded this week to be sent across the continent, Rudy said.

Revenue for the port is obtained from the handling of the case goods, which is done by workers employed by the Port of Redwood City.

Lumber and petroleum products still are being received at the harbor regularly.

JOBS LESSEN CRIME
 SACRAMENTO (AP)—Crimes declined in number in California in 1938, especially in the last half of the year, Clarence S. Morrill, chief of the bureau of criminal identification, attributed the drop to increased employment.

Building Active In South End

Unprecedented building activity in Menlo Park, and construction for Atherton in excess of last year, were reported today in a summary of contracted activities for September.

Since July, the city of Menlo Park shows a three-month approximate total of \$142,000. This is not complete, for it does not include homes already under construction when the new figures were tabulated by the building inspector, John Gluntz.

In September alone, building in Menlo Park totaled \$78,100. This includes 14 residences, five of them calling for expenditures of \$5,000, and six in excess of \$5,000.

Atherton, too, is booming in its building activity, according to the figures released by the building inspector. Total for September is \$38,200, as compared with \$29,000 for this same month a year ago.

Several large real estate deals are pending in Atherton for construction of homes, which are expected to swell the totals before the end of the year.

Following are the Atherton building permits granted this month:

Mrs. E. M. Costes, private residence in Flood Circle; contractor W. H. May; \$12,000.
 Angelo Franceschini, home on Selby Lane in the Selby Lane tract; contractor, C. Taylor; \$12,000.
 Robert S. O'Dell & Co., residence in O'Dell Park; contractor, D. D. Robertson; \$10,500.
 Menlo School, improvements to gymnasium on Alejandro Ave.; \$1500.

Three Redwood City residents were injured early Wednesday when their automobile struck the rear of a truck on Bayshore Hwy. at Clark Ave., East Palo Alto.

The injured:
Alfred Alaux, 121 Valota Rd., lacerations of the face and arms, broken facial bone.

William Myers, 526 Bruce St., lacerations of the face and head, possible fracture of the left arm.

Loren McDiarmid, 428 Chestnut St., lacerations of the forehead, fractured left wrist, possible pelvis fracture.

All three were treated at Palo Alto Hospital.

30 THURSDAY MEETING SET

Another Retirement Life Payments Association mass meeting will be held at the Redwood City Central School at 8 p. m. Monday, it was announced today. Speaker will be Eddie Kreuger, who is directing the Ham and Eggs drive in San Mateo County.

'OULD PLAID SHAWL'
LONDON (AP)—"The Ould Plaid Shawl," a ballad of Victorian days, written in 1896, is still collecting royalties, and a music firm here is trying to find executors of the

joint author, the late Walter Haynes.

The law in Salt Lake City: No opera hats or hats with ostrich feathers may be worn to public gatherings.

URGES COURTESY

Navigation in crowded harbors would not be possible, says Captain George Scheitens, famed mariner and former captain of the yacht "Southern Cross," without the courtesy code which requires that each ship keep in its own lane and give proper signals. This same code is being urged for motorists by the Shell "Share-The-Road" Club and Captain Scheitens thinks it will greatly improve traffic conditions.

Dancer Signed Trichinosis For 'Varieties' Warning Given

As one of 20 acts to be presented by the Redwood City Junior Chamber of Commerce at its "Varieties of '39" at Sequoia High School Audi-

torium Friday, Oct. 13, pretty Gloria Fischer, dancer and drum major-ette has been secured by Production

Following reports of a case of trichinosis in San Mateo, the county health department today warned against eating meat that has not been thoroughly cooked.

"While comparatively few deaths occur from this disease," said a health department bulletin, "it is deplorable that any occur because trichinosis may be prevented by cooking all pork thoroughly."

"Trichinosis in man usually originates from eating uncooked pork or other uncooked meat which has been contaminated by contact with infected pork. The practice of grinding beef and pork in the same machine makes beef almost as dangerous to eat in the raw state as pork."

Elimination of trichinosis in swine is a national problem, the report said. Until it is eliminated, the consumer must protect himself by cooking all meat thoroughly.

The report showed 10 new cases of communicable disease for the week ending Sept. 23. Redwood City reported one case of whooping cough.

Manager Joe Maxwell to present a dance, according to an announcement made here by William E. Morrissey, publicity chairman for the show.

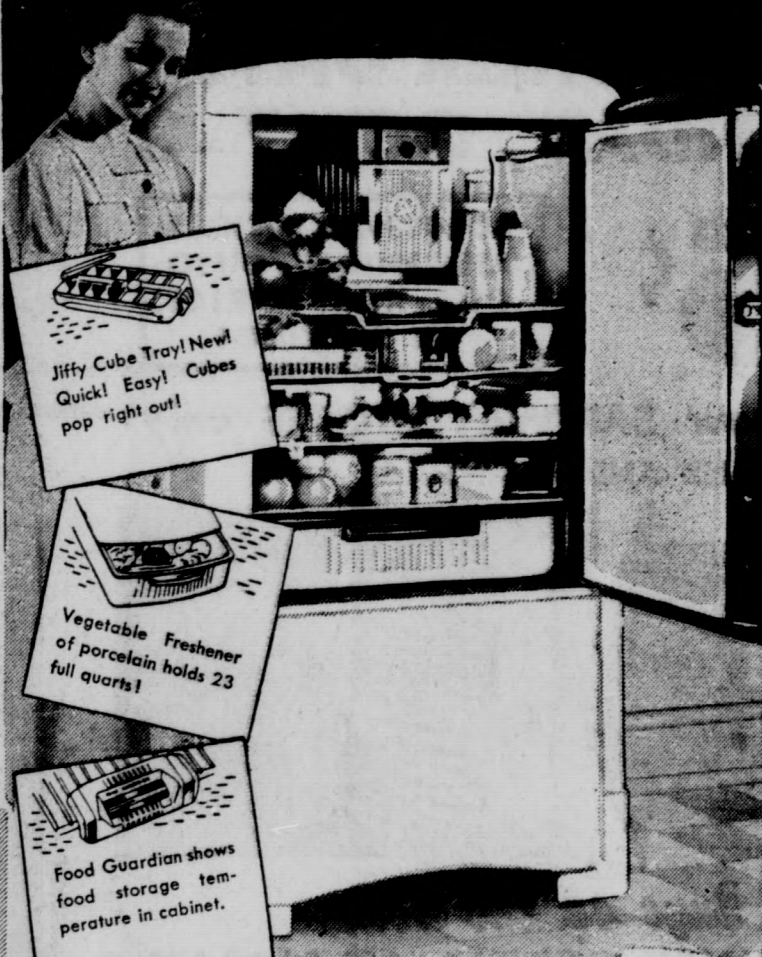

"Gloria's flashing smile and sparkling eyes, together with her really fine dancing, have won her a warm spot in the hearts of all who have seen her," Morrissey declared in expressing satisfaction that she was to appear on the variety show.

Rehearsals are now being held regularly and the show promises to be "an epic-making event on the Peninsula," according to Morrissey.

Special Events Chairman Bob Bristow reported that he had information to the effect that at least one movie studio would have a talent scout present at the entertainment.

Ticket Manager Ed L. Greely reports a brisk advance sale of tickets, with the high school auditorium already more than half sold. Tickets are 50 cents. They may be obtained from junior chamber members or at the Tribune office.

"RAINS CAME" AT SEQUOIA**"THE RAINS CAME"**

A great dramatic story handled by stars Myrna Loy, Tyrone Power and George Brent with the aid of a stellar cast, plus stirring spectacle the like of which has seldom been screened, makes Darryl F. Zanuck's production of Louis Bromfield's famous novel a truly great achievement for 20th Century-Fox.

Board Orders Annex Built

San Mateo County today faced the prospect of another first class political conflict after the board of supervisors Tuesday afternoon moved to speed construction of the third floor cell block in the county jail.

Supervisor Alvin S. Hatch pointed out to members of the board that there was a great hurry about the jail appropriation when the budget was being framed, but after the money was allocated, nothing had been done. He demanded immediate action because of rising steel prices.

The board, on advice of Asst. Dist. Atty. Daniel E. Sullivan, referred the \$16,000 cell block project to County Executive Frederick Peterson. As an afterthought, Supervisor Fred E. Beer informed the board no work could be done until the supervisors retained an architect to prepare the plans.

He offered the name of W. H. Toepke, architect for the courthouse annex. Beer said Toepke designed the original jail and had done all the preliminary work on the cell block estimates.

"They can't do that," Peterson said after the meeting. "The

charter gives me control of county buildings."

He said he would refuse to pay claims for Toepke's fees.

In the remainder of the afternoon session, the board:

Fixed polling place rentals at \$10 for Nov. 7, and fees for election officers at \$7.50.

Referred to Supervisor John A. Lynch a letter notifying the board that the streets committee of the San Francisco supervisors had been named to meet with the San Mateo County board on traffic problems.

Authorized Lynch and two undesignated members to attend a regional highway conference in San Francisco Oct. 12.

Indorsed the Burlingame Chamber of Commerce rapid transit program, result of a "good neighbor" meeting with San Francisco representatives Sept. 22.

Referred to the board's committee on health and welfare the report of four doctors on the United States Public Health Service survey.

Set for Nov. 21 the hearing on the petition of William Weeks to abandon a portion of the Pes-

Chorus To Sing Winning Number

The song which the Bel Canto Chorus sang at the Elstaddford Music Festival on Treasure Island Sept. 2 to win second place among choruses from the West will be repeated Friday night of next week when the Redwood City musical organization sings at the Redwood City Chamber of Commerce's "Varieties of '39." Director Eugene Fulton announced here.

This number and two others which the chorus of 90 voices will sing were rehearsed last night at the regular practice. The other numbers are "Calm Be Thy

cadere Creek Rd.

Received from the Millbrae Taxpayers Association a letter requesting the board to hold in abeyance any action on a proposed police district.

Referred to County Engineer M. A. Grant and Executive Peterson a claim for \$452.55 for the county's share of the cost of an automatic highway signal in Daly City after the district attorney ruled the board could not pay the claim without referring it to Peterson.

Order Forming New District Is Issued

The board of supervisors on Monday issued the formal order organizing the San Mateo County Soil Conservation District after meeting in special session to canvass the Sept. 26 election results. Copies of the order were directed to the State Board of Equalization and to the State Soil Conservation Committee. The district was formed by vote of 118 to 108.

The board adjourned to meet tomorrow at 11 a.m.

BUYS APARTMENT HOUSE

Mrs. Belle Schneider, Menlo Park widow, has sold a \$49,000 apartment house on San Mateo Dr., San Mateo, to Mr. and Mrs. Leon W. Huckins, taking in part payment a \$25,000 home on Canada Rd., Belmont, according to Peninsula Title Guarantee Co. Mrs. Huckins becomes sole owner of the apartment house, it was explained.

"Sleep" and "Swing Along," by W. M. Cook. The number given at the Elstaddford is "Laudamus" (Song of Praises).

The chorus will be one of 20 acts to be presented. Admission is 50 cents.

Educators Attend Del Monte Meeting

Miss Pansy J. Abbott, county school superintendent, this week presided at a meeting of the county school superintendents convention at Del Monte. She is retiring president. Curriculum problems and relations of county and state offices were topics scheduled for today's discussions.

R. C. Man's Sister Dies at Los Gatos

Mrs. Cotilda Hegarty, sister of Victor Sepulveda of Redwood City, died Sunday in Los Gatos. The deceased was the relict of Harry Hegarty and the mother of Harry L. Hegarty of Los Gatos and Sidney Hegarty of Seattle. In addition to Victor, she left another brother, Charles Sepulveda of Seattle.

McKinley Council Plans Dance Soon

A dance to raise funds for various school purposes was the major item considered by the McKinley Intermediate School Council at its first meeting of the year last week. Mrs. Lauretta S. Paulsen, principal, said no definite date had been set but committees were working to arrange the affair sometime late next month.

Presiding at the council meeting was the student body president, Jack Lennan. Other members of the council include Harriet Lagoni, secretary; Vivian Jensen, editor of the school paper; Teddy Hamer, custodian of the lost and found department; Herbert Hatcher, school bank monitor and assistant cafeteria cashier; the 28 presidents and secretaries of various classes, and

Edna Truman, Former Sequoia Teacher, Dies

Miss Edna Truman, former domestic science instructor at Sequoia High School during the term of Principal Samuel P. McRea, died Sunday in Urbana, Ill., where she had been making her home for some time, friends here learned.

Miss Truman was the first domestic science teacher at the school, and taught in the former high school building which is now Central School, on Broadway. She left her post here in 1921, after teaching for eight years, to act as a home adviser for the University of Illinois, at Urbana.

Pedestrian Dead, Over Score Hurt In Car Crashes

San Mateo County traffic took one life over the weekend and resulted in injuries to 22 persons, with the Saturday night rain storm a factor in at least two of the automobile accidents.

Richard D. Souse, 70, a groom at the Will Tevis Jr. stables in San Mateo, died shortly before 7 p.m. Sunday of multiple injuries received when he walked into the side of an automobile driven by 19-year-old Betty Altman, 635 Brewer Dr., Hillsborough, a Stanford University junior.

Civil Service Still Studied

Annual physical examinations for city employees will be the rule in Redwood City hereafter, according to a resolution adopted by the city council Monday night.

Councilman McCarthy, pointing out that heart failure and pneumonia are classified as occupational diseases and not exempt from compensation by the city under a new state law, urged the precaution to protect both the city and the city employees.

Fire Chief Mark E. Ryan favored the physical examinations, particularly heart examinations, for his firemen.

"Why last year we had a man who nearly passed out trying to pick up a table," Ryan declared. Councilman Fletcher suggested each employee have a cardiogram (photostatic copy of strength and rate of heart beat) along with his examination.

A committee appointed some time ago to study civil service and retirement pensions for city employees, and composed of Councilmen McCarthy, Fletcher and Anderson, was requested by Mayor Christensen to continue its work after McCarthy brought up the matter and discussed the advisability of such a program here. McCarthy also advised windshields be placed in the city's

Order of Owls Fetes Anniversary

Approximately 150 members of the Redwood City Nest, Order of Owls celebrated the organization's 26th anniversary at a banquet held at noon Sunday in Foresters' Hall.

Toastmaster Louis B. Demattis introduced as guest speakers Mayor Louis C. Christensen, Supervisor John W. Poole and County Controller Thomas J. Kane.

Addresses were presented by Steve Angelini, president, and David Daneri, past president. Other organizations were represented with a few words by P. Raviolo, president of the San Mateo Nest.

In the evening dancing was held at the hall for members, their families and friends.

Cleaning Firm Grants Demands, Ends Labor Suit

After a three-hour trial before Judge Maxwell McNutt Monday, Franzetti Bros., operators of a cleaning and dyeing business with branches in San Mateo and Santa Clara Counties, declared their willingness to maintain union conditions of hours and wages, and their \$5000 damage suit against the Laundry Workers' International Union, Local 143, came to an abrupt halt.

"What else do you want?" Judge McNutt asked Roland Davis, counsel for the union.

"Nothing," replied Davis. Henry Gabriel, attorney for the Franzettis, said his clients would never consent to a closed shop. The judge continued the case two weeks, instructing both sides to "get together."

The Franzettis complained that union members were intimidating their employees.

OVERPARKING, SPEEDING HIT BY COUNCIL; ACTION PLANNED

All-day parking on Jefferson Ave. in front of the Redwood City Post Office will not be one of the traffic nuisances over the holiday season this year.

The Redwood City City Council, in its consideration and action on several traffic problems Monday night, instructed City Atty. Albert Mansfield to draw up an ordinance for introduction which would limit parking on Jefferson Ave. from Broadway to Main St., to one hour.

Another traffic hazard brought before the council was the "use of El Camino Real as a speedway" north of Broadway. "Someone is going to get killed while walking across the highway at Brewster Ave.," Councilman Fletcher warned. "Most people don't know there is a

pedestrian lane there, and they go past Brewster licker-split," City Manager C. L. Dimmitt said he had written the State Highway Commission for a "blinker" warning light for this intersection and also some type of warning lights at Woodside Rd. and Jefferson Ave. intersections. Fletcher said he had had "quite a few" complaints on the difficulty in finding parking places at the post office, due to all-day parking by those who use the library, or who park cars on the street all day while at work in nearby establishments.

Over a plea by Dave L. Walter, a member of the audience, that the "taxpayer be given a break" and allowed a two-hour limit, the council unanimously agreed on the one-hour limit.

A subsidy of \$50 per month

for six months was granted R. F. Martin, operator of the Redwood City Municipal bus system. Martin, who appeared before the council, requested the council continue its allotment of \$100 per month which expired at the end of last month.

Councilman Harold F. Anderson moved for a \$75-per-month grant for a half year, but the motion failed to carry when Mayor Louis Christensen pointed out that the council had previously voted to terminate its subsidization of the

bus system, and also in view of the fact that the number of passengers being carried constantly was increasing.

Martin presented figures showing the total number of fares in February, when he assumed a half-interest in the line, was 2577, and that since the number of fares had steadily increased to more than 3900 in August, with a gross revenue of \$319.75.

Funds for the six-month subsidy of \$300 will come out of the city's unbudgeted reserve.

Mrs. Alice Hinman Dies at Age 88

Alice Brown Hinman, 88, mother of the late County Clerk Elmore B. Hinman, was laid to rest Tuesday. She died in Burlingame rest home Saturday. She had been living with her daughter-in-law, Mrs. Cora Hinman, at 427 Stambaugh St., Redwood City.

Mrs. Hinman was the widow of Rev. Leroy B. Hinman, who died in 1933, and the mother of Mrs. Mabel Mustaden of San Francisco,

Mrs. Betsy Howson of Berkeley, Gage J. Hinman of Berkeley and DeWitt L. Hinman, Sacramento. She was born in Sacramento two years after discovery of gold in California.

Diamonds originated in the Far East and it was not until the fifteenth century that they were accessible to Europeans, following the development of diamond cutting in Antwerp and Amsterdam.

Girl, 2, Is Drowned In Fish Pond at Home

MENLO PARK, Oct. 2.—Gail LaBarre, 2-year-old daughter of Mr. and Mrs. Glenn B. LaBarre of 340 Arbor Rd., Menlo Park, drowned this afternoon in a foot-deep fish pond at her home. Mrs. LaBarre found the baby in the pool. Firemen and doctors worked for 30 minutes but were unable to revive the child.

SUES FOR \$25,000 DAMAGES
Elvyn H. Frey, Pescadero, has filed suit in superior court for \$25,000 damages from Tom Kuwahara, Pescadero rancher, and John Nunes, Kuwahara's truck driver, for injuries sustained in a Coast highway automobile accident Oct. 30, 1938.

Policemen's Dance Is Voted 'Success'

Described by sponsoring officers as a "huge success," the annual policemen's ball at Bay Meadows Saturday night was attended by an estimated 3000 persons who danced to the music of Johnny Dell's Orchestra.

Police Sgt. W. H. (Bud) Thorpe of Redwood City, president of the Peninsula Police Officers Association, today expressed himself as highly pleased with outcome of the dance, given for benefit of the association's widows and orphans fund, and declared that he and fellow officers "are very appreciative of the support given to the dance by the public."

Toastmasters Enjoy Talks Before Dinner

Before attending the Community Chest dinner Monday, members of the Redwood City Toastmasters Club heard four talks presented under chairmanship of Clarence J. Holt. John Furnas spoke on "Arbor Day"; Bob Bristow on "A Defense Against Advertising"; P. M. Williams on "Sidelights on American History"; James P. Hagan on "Is Thrift Worth While?" Usually Toastmasters at their Monday sessions in First Methodist Church give their talks after their 6 o'clock dinner.

2 Groups Join In Exhibition

Friday, Oct. 27, has been set as the date for the annual Chrysanthemum Show of the Woodside Gardeners Association, given in conjunction with the Menlo Park Horticultural Society.

Secty. D. C. Schroder of the Woodside association announced that the affair would be held again this year, as last, in the Redwood City Woman's Clubhouse on Clinton St. in Redwood City.

Judging will begin at 11 a.m., with the show being open to the public, at no charge, from 1 p.m. till 10 p.m.

Besides chrysanthemums, many other flowers will be exhibited in competition for cups, trophies and ribbons.

Handling arrangements for the exhibit are officers of the Woodside association—Otto Meierly, president; Nick Pastore, vice president; Anthony Silveira, treasurer, and Schroder—aided by Paul Penna, chairman of the flower committee, and Leonard Bugna, refreshment committee chairman.

The Woodside association won first prize (\$50) and a trophy at the recent county fiesta on the fruit and vegetable exhibit and second prize on the 500-square-foot floral display.

4 Watches Stolen From Jewelry Store

Four watches valued at \$125 were stolen from the George Peterson jewelry store, 2738 Broadway, shortly after 12:30 a.m. Monday by an unidentified thief who broke the plate glass window of the store, seized the watches and fled only five minutes before police arrived.

When police happened on the scene they were told by a woman motorist, whose identity was kept secret, that a man about 27 years old, 5 feet 10 inches in height and wearing a dark gray overcoat and dark grey hat, had been loitering in front of the store only five minutes before. Police feel certain he was the thief.

Chief of Police C. L. Collins said that three diamond rings, valued at \$500, and several other watches were not taken from the window. No trace of the thief or stolen goods has been discovered, but a statewide teletype message has been sent out, he said.

Menlo Park Mail Schedules Changed

MENLO PARK, Oct. 3 — Menlo Park and Atherton's new schedule of mail delivery went into effect today, Postmaster Harry Morey announced.

Henceforth the business section of the city will be served by direct carrier service, and the outlying residential district will also receive mail service.

Street numbers must be accurate, according to the postmaster, who requested all residents to apply for exact street numbers at the city hall.

Until collection boxes have arrived mail will be collected from mailboxes, if stamps are properly affixed.

Council Gives Dr. Gans 'O.K.'

Charging "politics" Councilman Evans A. Fletcher unsuccessfully urged the Redwood City City Council Monday to ignore a letter from County Health and Welfare Director C. C. Gans asking the council if his services had been satisfactory since his office had taken over the health and welfare duties last winter.

However, by a 4-2 vote, the council ordered Clerk B. E. Myers to declare Dr. Gans' services as being satisfactory.

Councilman William Hohn opposed the letter, declaring "there is more rubbish than ever" in the vacant lot West of Perry St., and that the "condition is insanitary."

cording to County Health Director C. C. Gans. The quarantine has been in effect since May 31.
